Dear Mr. Manaster,

Please accept my thanks for the ERE Foundation's recent contribution of \$10,000 made to Teach For America. Your investment in our work will help us to build an even larger movement to eliminate educational inequality and we are so grateful for your generosity.

They are going above and beyond traditional expectations to effect life-changing academic gains with their students, running innovative and effective schools and reshaping education policy. Your support ensures their success and helps us continue to pursue our shared vision that one day, all children in our nation will have the opportunity to attain and excellent education.

We appreciate your investment in our work and look forward to sharing with you news of our continued success.
