Dear Mr. Manaster,

Thank you for your generous donation of \$15,000.00 (ck# 1011, dated 04-30-10) in support of our **Education Program**. As you know, education has been the foundation for all of **Hope for Haiti's** programs for nearly 20 years. Your gift is especially appreciated as we work to meet an increased need for our ongoing programs, while continuing to deliver aid to the survivors of the January 12th earthquake.

Thank you for your continued support of our mission. With this gift we will be able to provide the children of Haiti with a quality education. This expression of faith in our mission and concern for the people of Haiti is very encouraging to all of us at **Hope for Haiti**.

We look forward to keeping you updated on our continued response to the devastating earthquake of January 12th and the progress we are making with our regular programs. It is because of you, our dedicated volunteers, **Hope for Haiti's** staff, and the heroic Haitian men, women, and children, that we have been able to respond to this horrific tragedy. Thank you for your generous support.

In Grateful Appreciation,

JoAnne Kuehner
